## Clearwater Fun Fact:

"In its infancy, Clearwater was known as Clear Water Harbor, which is believed to have been a reflection of the fresh water springs that can be found in the region. Coincidentally, you can still find fresh water springs in the area, and many make for excellent diving sites when you're not exploring the underwater realms of the Gulf of Mexico."

## Take the Online GED® Test

The Online Proctored GED® Test was launched in May 2020 and is currently available in Florida. This testing option was created to help students continue testing while some test centers remain closed or have limited appointments due to the COVID-19 pandemic. Visit the [official GED Testing Service website](https://www.ged.com) for more information, including eligibility, what's needed to take the online test, and more about how the test works.

This is a great way for working adults to achieve their goal of obtaining a level up in education.
